Ve věci autorských práv ilustrací je každý autor odpovědný za publikované ilustrace. Obecně se ale Convivium řídí ust. § 31 zákona č. 121/2000 Sb. (autorský zákon), kde je v odst. 1, písm. c) výslovně řečeno: „Do práva autorského nezasahuje ten, kdo užije dílo při vyučování pro ilustrační účel nebo při vědeckém výzkumu, jejichž účelem není dosažení přímého nebo nepřímého hospodářského nebo obchodního prospěchu, a nepřesáhne rozsah odpovídající sledovanému účelu; vždy je však nutno uvést, je-li to možné, jméno autora, nejde-li o dílo anonymní, nebo jméno osoby, pod jejímž jménem se dílo uvádí na veřejnost, a dále název díla a pramen.“

In the matter of copyright, every author is responsible for the illustrations published. In general, Convivium follows § 31 of the law no. 121/2000 Coll. (Copyright Act), where in paragraph 1 c explicitly states: "Copyright shall not be infringed by whoever uses a published work in a lecture exclusively for scientific, teaching or other instructive or educational purposes; the name of the author, unless the work is an anonymous work, or the name of the person under whose name the work is being introduced in public must however always be indicated; the title of the work and source must also be indicated."
