BIBLIOGRAPHY

The number of books, studies and articles dealing with or having reference to the life and work of William Morris is very great. In the following Bibliography I have selected those which particularly refer to the aspects of Morris's work under discussion, or which have been especially suggestive and useful, as well as some works of wider reference which have also contributed to my view of Morris's poetry. The Publications of the William Morris Society have been indispensable for placing some of the latest results of research on Morris's life and work within my reach.

Editions, etc. of Morris's Works.

- MORRIS, William. The Collected Works of William Morris, (with Introductions by his daughter, May Morris). London, 1910—1915. In XXIV Volumes.
- MORRIS, William. Selections. Edited with an Introduction by Y. F. Shvedov. Moscow, 1959.
